

## Introducing new lower pricing for FedEx Kinko's® services

Medtronic employees can now take advantage of deeper discounts when using FedEx Kinko's for printing, copying and finishing. Simply present your discount card with the FedEx Kinko's account number when you're ready to check out, and the new pricing will be automatically applied to your order.

FedEx Kinko's NEW discounts for Medtronic

Black & white copies: XX¢ single-sided

Color copies: XX¢ single-sided

Other production services: XX% off

Whether it's your contracted rate, a promotional price or a specially quoted large job, the lowest price always applies at FedEx Kinko's.

### One resource for so many solutions.

- Professional and self-service copying, printing and faxing.
- Binding, laminating and finishing services.
- Brochures, flyers, newsletters and direct mail.
- Posters, signs, banners and graphics.
- Computer rental and Wi-Fi Internet access.

### Use FedEx Kinko's services when:

- The project will take more than 30 minutes to print and assemble.
- You need to print both color and black & white copies.
- The document includes 10 or more binds.
- The project requires finishing such as folding, laminating, binding or mounting.

### Access FedEx® shipping too.

Don't forget, your discount card can also give you access to FedEx Express® and FedEx Ground® shipping services at preferred rates. You can drop off your products for return shipping to Medtronic distribution centers or schedule a home pickup. And if you're short on time and supplies, you can take advantage of FedEx Kinko's packing services and let the professionals pack your shipments for you.
